15 Jul, 2013

I repent on behalf of myself and my generational line for connecting or entering into any realm, dimension or location in order to gain information and power from the enemy. In the name of Jesus Christ, I now reject any ungodly inheritance of power or information. Lord, please take any part of me out of those locations and close and seal all ungodly doors, gates or portals.

Lord Jesus, please stop all ungodly dimensional shifting as it relates to me and my family line.

Lord please remove me from any black holes, vortexes, or out of any voids between dimensions.

Lord, please remove me from being trapped in infinity and from any ungodly constant or unending cycles.

Lord, please remove from me any ungodly repeating patterns, any ungodly device, deposit, attachment, agreement, or entities from those dimensions, black holes, vortexes, or from any voids between dimensions.

In the name of Jesus Christ, on behalf of myself and my family line, I repent and renounce and break all ungodly ties between me and my family line and the first dimension,
...between me and my family line and the second dimension,
...between me and my family line and the third dimension.

I break all ungodly ties between me and my family line and the fourth dimension.

Lord please put me and my family line and time and space back in right alignment.

I break all ungodly ties between me and my family line and the fifth dimension, the sixth dimension, the seventh dimension, the eighth dimension, the ninth dimension, the tenth dimension, the eleventh dimension, and...twelfth, etc. and all dimensions through eternity.

Lord, where it affects me and my family line, please break all ungodly agreements between dimensions and all ungodly linkages between dimensions. Please remove any evil spirits energizing these ungodly connections and agreements.

Lord please return anything good that was stolen or given away and close and seal all ungodly doors.

Lord Jesus please open up the Godly dimensions that lead to You and the revelation of Your purposes in my life.
